Shantiniketan Awasiya Bal Vidyalaya, Muzaffarpur, Bihar

April 2016 – March 2017 | 9.6 CGPA

EXPERIENCE

Software Developer Intern

Nov 2023 – Apr 2024

Implica Global Corporation
Remote

- Contributed expertise in web and android development, enhancing project outcomes.
- Collaborated effectively with cross-functional teams to deliver innovative solutions.
- Demonstrated proficiency in coding and designing responsive websites, ensuring optimal user experience.
- Utilized problem-solving skills to troubleshoot and resolve technical issues promptly.
- Consistently delivered high-quality deliverables within strict deadlines, fostering client satisfaction.
- Utilized **HTML, CSS, Tailwind CSS, Node.js, React.js, Express.js, Next.js, Knex.js & MySQL** within the project's Tech Stack.

PROJECTS

QR Code Generator | Node.js

- Developed a QR code generator project using Node.js, allowing users to input URLs dynamically.
- Utilized libraries such as inquirer, qr-image and fs to generate QR code images based on user-provided URLs.
- Implemented user-friendly interfaces and error handling mechanisms to ensure smooth user experience.
- Demonstrated proficiency in Node.js programming, image manipulation, and asynchronous operations to deliver a reliable QR code generation solution.

Recipe Finder | HTML, CSS, React.js

- Integrated a visually appealing design using HTML and CSS, ensuring a modern and intuitive layout for displaying recipe details and images.
- Implemented a robust search functionality, enabling users to filter recipes based on ingredients, cuisine, dietary preferences, or dish types.
- Developed a user-friendly web application that allows users to search and discover an extensive collection of recipes.
- Leveraged React.js for building a dynamic and responsive user interface, enhancing the overall browsing experience.

To-Do List | HTML, CSS, React.js

- Developed a web-based note-taking application fostering seamless note creation, management, and retrieval.
- Leveraged React.js for the Frontend and Tailwind CSS for modern and responsive styling.
- Implemented a robust search functionality, enabling users to locate specific notes effortlessly.
- Engineered an intelligent Dark Mode toggle feature, enhancing user experience and catering to individual preferences.
